

## Great North Run Charity Place

I would like to accept a charity place to run the Great North Run in support of Petals.

I understand that:

- Petals have reserved and purchased my place.
- To confirm my place I will pay the registration fee of £35.50 and I commit to raising a minimum of £350 for Petals.
- My registration fee is not refundable.
- I will create my Just Giving page five months before the event.
- I should advise Petals as soon as possible if I cannot run for any reason so they can try to fill my place with a fundraiser from the waiting list.

Petals will:

- Supply me with a Petals running top to wear on the day.
- Support me every step of the way to race day.
- Work with me to smash my fundraising target.
- Create a GNR Strava group and a runner WhatsApp group.

As a small charity, we rely on charitable funding to deliver our vital service to grieving parents. Demand for our service has never been so high, and your fundraising for the Great North Run will enable us to deliver more specialist counselling sessions to bereaved parents in the weeks and months ahead

Thank you so much for joining Team Petals and running the Great North Run.

*Thank  
you!*
