**No one should have to face baby loss alone at Christmas.**

At Petals, we provide **free, specialist counselling** to parents who have experienced the loss of a pregnancy or baby.

Unfortunately, due to funding, we currently turn away **20 requests for counselling** on average every week.

At Christmas, this number **increases by 129%**.

Last year, we were forced to **turn away 3 in 4 requests for counselling** at this time of year.

**Fundraising for Petals this Christmas could directly impact bereaved parents at this difficult time.**
